Verse 1:

With a single wave You hung
The canvas up in space
You scattered stars, the sun and moon
Precisely in their place
What a wonder to behold

Verse 2:

In Your hands You held that rock
Then sent it on its way
Spinning on an endless course
Nevermore to stray
Where the story would unfold

Chorus:

Master Creator, Artist of the Universe
The Light in the darkness, How majestic are Your works
Refined to perfection, Not one detail overlooked
Woven together, You stepped back and called it good

Verse 3:

A boundary secured,
Dry land from ocean's reach
The birds flew high above the waves
While fish swam deep beneath
Each one as designed

Verse 4:

The fertile soil gave way
To plants in vibrant green
Trees arose with branches high
Adding texture to the scene
So Your vivid glory shines

Bridge:

From the dust, You formed the man
With the woman, they would stand
Go fill the earth, subdue it
Was Your first command

Verse 1:

The garden is overflowing
With all they'd ever need
Each breath is filled with purpose
Why they want to leave?
Could there be something more?

Chorus:

It sounded so inviting
They're living a charade
They could become just like God
Their innocence betrayed

Verse 3:

The branches were fully loaded
With fruit ready to eat
They had to have that wisdom
To make their lives complete
Based on the serpent's lies

Bridge:

They heard His voice call out
Where are you? What have you done?
What once was easy
Now the painful days must come

To cover up their shame
Garments were just the start
They will someday die
Sin is in the heart

Verse 2:

In the center of paradise
Just one tree to avoid
He's holding out on you
There's more to be enjoyed
What God said, just ignore

Chorus: (cont)

When they chose to disobey
Their eyes were opened wide
Ashamed, exposed, embarrassed,
They had to run and hide

Verse 4:

She reached out to take a bite
It tasted oh so sweet
She gave some to her man
It was a special treat
But now they're destined to die

Verse 1: (Living with Sin)

Once more a flawless lamb
Slaughtered, drenched in blood
Offered up to satisfy
But never quite enough

Lifeless on the altar
To pacify the pain
To pay for some damage done
Only to remain the same

Pre-Chorus 1: (Waiting for Messiah) Messiah, Waiting for Messiah!

Chorus 1: (The Curse of Sin)
Today with no pardon
Nothing else wipes out the debt
Today shame's oppression
Just amplifies regret
Today still in bondage
Fear a constant threat
Today hope is fading
How soon will we forget?

Chorus 2: (The Remedy for Sin)
Today innocence assured
Forgiven of the debt
Today shame forgotten
No lingering regret
Today bondage broken
Fear an idle threat
Today brings salvation

Verse 2: (The Messiah Here)

Rumors say there is a man
Who claims He spoke with Abraham
Says He is the bread of life
Water that will not run dry

He challenged hardened hearts
Set the blind beggar free
Revealed His loving Father
To those who would believe

Pre-Chorus 2: (Is He Messiah?) Messiah, Could He be Messiah?

Bridge: (Crucifixion & Resurrection)
Arrested and convicted
Upon a cross He died
His corpse laid in a tomb
Yet He rose again alive

Verse 3: (Living the Pardon)
He's the perfect sacrifice
The final offering made
Every wrong forgiven
Cancelled, fully paid

Death no longer holds its grip
To tear a life apart
No longer enslaved to sin
When He's living in the heart

Pre-Chorus 3: (Freed by Messiah!) Messiah, Freedom in Messiah!

Verse 1:

No finer treasure can be found
Where God's grace and peace abound
Only in the kingdom of heaven
Faith starts out very small
Then spreads out strong and tall
Valued in the kingdom of heaven

Pre-Chorus:

Pursue the kingdom
Its heritage of freedom

Chorus:

In our brokenness
Let Your kingdom come
End our selfishness
May Your will be done
The nations reclaimed
Your glory retained
On earth as it is in heaven

Verse 2:

Hope is longing for the day
When the worry fades away
Promised in the kingdom of heaven
Love compels our hearts to show
Just how far His grace can go
The language of the
kingdom of heaven

Bridge:

No fantasy, no mystery
Crystal clear for those who see
Faith, hope and love; reality

No fantasy, no mystery
Crystal clear for those who see
Faith, hope and love; reality

Refrain:

Let Your kingdom come
May Your will be done
Let Your kingdom come
May Your will be done
On earth as it is in heaven
On earth as it is in heaven
